## INVITATION...

The Longburn School Board of Trustees began implementing an Enrolment Scheme at our school at the beginning of 2022 due to roll growth and in anticipation of the local residential growth that is to be created through new subdivisions in our area.

Enrolment at Longburn School is governed by a Ministry of Education approved enrolment scheme, details of which are available on the school website, the website 'Education Counts', or from the school office.

Our Board of Trustees is **now inviting applications from parents who wish to enrol their children at Longburn School starting within the term 3 and 4, 2022 period.**

**If you have received this invitation in your mailbox then you live in the Longburn School Zone and do not need to go through a ballot process to enrol your child with us.**

Applications for 20 out-of-zone places are now being invited for those students who will become eligible for enrolment during the period 25th of July 2022 and 16th of December 2022. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

The deadline for receipt of applications for out-of-zone places is 1st of July 2022. If a ballot for out-of-zone places is required, it will be held on the 8th of July 2022. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

If you live in the home zone and have not yet signalled your intention to enrol your child later this year, please contact the school immediately to assist us to plan appropriately. You may also know of others who live outside our zone but wish to enrol their child. Please encourage them to lodge their enrolment application within the allocated timeframe.
